

Due to increasing demand for our Dispute Resolution services in Hong Kong, Singapore and Malaysia, we are seeking a suitably qualified and experienced construction professional for the post of:

REGIONAL DIRECTOR – DISPUTE RESOLUTION

Applications are invited from candidates with the following qualifications, knowledge and experience:

- Membership of a recognized quantity surveying or engineering professional institution is essential.
- Membership of the Chartered Institute of Arbitrators, preferably as a Fellow, is essential.
- In depth knowledge of contract and arbitration law and practice and procedures for arbitration, mediation and other dispute resolution processes is essential.
- Sound commercial management experience in a senior position with contractor, employer or consultant is essential.
- Experience in arbitration management is essential.
- Experience as an expert witness on quantum and/or delay matters is essential.
- Permanent Resident status in Hong Kong or Singapore or Malaysia is essential. (Applications will be made for necessary employment visa(s) in those jurisdictions in which the successful candidate does not have residential status will be made.)
- It is unlikely that anyone below the age of 40 would have sufficient experience.

This is a permanent senior position in the company leading to appointment as a director after a short period of familiarization.

Above all, the successful candidate will have to demonstrate a genuine awareness of the commercial realities of contracting in today's construction markets and the demands of BK's clients, who comprise both employers and contractors, for cost effective solutions to their problems thereby maximizing their entitlements whilst, at the same time, minimizing their downside risk.

All applications, which should be addressed to the Group Managing Director of BK Asia Pacific Limited at the address below, will be treated in strict confidence.
